

Bar Exam Security Policy – Effective June 1, 2022

This Bar Exam Security Policy is designed for the consideration and safety of all applicants, to prevent cheating, and to protect the integrity and security of the exam itself. All bags are subject to search. No weapons are allowed at the exam site.

Only the permitted items listed below will be allowed in the exam room. **Any item not on the permitted items list is strictly prohibited.** There is a non-secure area at the exam site outside the exam room for applicants to stow personal belongings. However, applicants leave items at their own risk; the WSBA and the testing facility are not responsible for the loss or theft of any items. Applicants may access personal belongings during the exam when accompanied by a proctor. **Please plan accordingly.**

Applicants are permitted as needed during an exam session to use the restroom. However, no additional time is granted for restroom breaks. Note: A nursing room with a refrigerator is provided onsite.

If you have prohibited items in the exam room or engage in prohibited behavior, you may be required to leave the exam without finishing; the items may be confiscated or placed in the non-secure area; and you may be required to have a character & fitness hearing.

You may make a special request up to 18 days before the exam to bring otherwise prohibited items into the exam room. All requests must be supported (if applicable) by a doctor's note. Examples of such items are: pillow/lumbar support, ergonomic chair, book stand, wrist rest, medication, external keyboard or mouse, and religious headgear.

Applicants must use a clear quart-size Ziploc plastic bag for smaller permitted items. Applicants cannot carry any items in their pockets into the exam room.
